Story line: Guy meets girl and girl gives him one of the most challenging and difficult situations he's ever faced.

[JASON]

25 or older to play, African American male, athletic, extrovertish and a born leader that leads only when absolutely necessary. A natural trendsetter, great personal style and life for him is effortless, he always seems to make connections wherever he goes. Life of the party and extremely likeable but seems to hide his intelligence from most people. People are attracted to his energy as it's always been an asset to him, however it has never gone to his head.

[RENEA]

25 or older to play African American female, with a larger than life persona. Poised, kind and publicly perfect, she's privately has many dreams and aspirations and would never prescribe to mastering one thing in life. She loves what she loves and is never apologetic about it.

[JESSICA]

23 or older to play any ethnicity, a playful and unfiltered personality who looks perfect in everything she wears. A very touchy touchy person but not too intrusive of one's personal place.

[STEVE]

23 or older to play a laid back African American male from a well-off family. Steve has a 'Friser-type' of humor that his friends have come to appreciate.

[JUAN]

23 or older to play Hispanic male who has no idea what he wants to do in life but enjoys every bit of it. People love him and want to always hang out with him. Approaches everything with wide-eyed idealism and loves women. Juan has experienced a lot and has no problem talking to anyone he meets; as he can always find common ground with anyone.

INT. LIVING ROOM. DAY

TERRY, 18+ sits on the couch studying with JAIME, 18+. Terry notices an unpleasant smell. Jaime sighs and Terry realizes it's Jaime's breath. Terry pulls gum out.

TERRY

Would you like some gum?

JAIME

No thanks.

TERRY

You sure. I have plenty.

JAIME

I'm sure.

Terry pauses a moment, unsure what to do so starts chewing on a piece of gum.

TERRY

Mmm. This gum is so good.

Jaime looks interested.

TERRY

It reminds me of that gum from Willy Wonka.

JAIME

Oh I was about to get some but I definitely don't want to turn into a blueberry.

Jaime laughs and goes back to studying.

TERRY

Obviously you won't. I just meant the flavor is so good. (Beat)
I really think you should take some.

JAIME

How many times do I have to tell you I don't want any?

TERRY

As many times as it will take to make your breath not stink.
